NEWSLETTER

Summer is here!

Class Photos are wrapping up! We have a few days available to photograph those that were not able to make it in: Wed. July 3rd and the entire week of July 8-12.

Please try to join us!!

Photos are in the process of being emailed out. If you do not have yours by 7/4, please let us know. Zoe has been an editing machine!

Heading to the vet? Please bring us a copy of your dog's Rabies Certificate along with vaccine records. This is a new requirement from the Dog Warden.

Heatin' Up

Pools and splash pads are being used until 330pm each day. We apologize for any wet pups! But we need to practice that freestyle stroke!

This summer has been a hot one already. Please consider 'calling your pup in sick' in excessive heat if he/she is not a water bug.

HAPPY BIRTHDAY!
