Election Time

Who will lead us for the next four years? Who will defend your dog's right to eat bones?

Make sure you check our Social Media starting October 14th as our 2024 Presidential Primary kicks off.

Remember, your vote counts!
General Election runs October 21-25, with our winning ticket being revealed on Monday, October 27.
Good luck to all candidates.

Food Drive

Our Annual Pet Food & Supply Drive will run in November. More details will come on specific needs of the Lehigh County Humane Society. A great opportunity to clean out those linen closets!!!

Coasting into Fall

Cooler weather is upon us! If the temps rise on a random day, we will be splashing around. Totally weather dependent.

Though Summer is over, please continue your flea & tick medications. With our unpredictable climate, it is recommended year-round. Critters are still lurking around.
