The Olympic Games

They have spent all year training long. Now is their time to shine! Our “Athletes” will be showing off their skills the week of Aug 5-9. The events, while some are unfamiliar to the average viewer, will challenge each of our guests to perform at the highest level possible. Go for the Gold!

Another Way to Pay

Just a reminder that we now accept Venmo! If you are ever sitting at home thinking, “I wish I could send money for Fluffy’s favorite day care!!” Now you can!!

Flea & Tick Control

Though summer is halfway over, we encourage you to keep using flea and tick medication. Keep in mind that any flea collars must come off for play time and any liquid medications that are applied to the back must be dried. Nobody wants a mouth full of chemicals!!

Sick Kids!

If your pup is not feeling well, please keep him or her home in case they are contagious. With the type of social environment that we have, yucky germs can spread like wildfire. We can only keep this facility safe with your help. So please, exercise caution if your pup is under the weather. We try our best to put out the Bat Signal should we notice anything funky going around. Also, if you utilize other facilities for boarding or day care, please make us aware of that. That can come in handy when we hear rumblings from our vet friends. You will never be charged for calling out sick!
